ABOUT US:

Acme is a Professional Training Organisation, focused on the Public and Private sectors.

Our Objective is to help our students hone their knowledge & skills while unlocking their full potential.

Our Facilitators/Trainers are experts in their subject matter & present high quality content, amplified by rich knowledge & experience.

Support for our students is offered at the highest level, through mentoring, coaching, & consulting; thereby maximising the implementation of their studies.

We are committed to the
upliftment of people &
communities, the profitability of
companies, and the economic
growth of the country.
